

Dear honorable judge Kenneth J. Casey,

I am writing this as a response to the claim objection set forth by Advanta corp. with the United States bankruptcy court for the district of Delaware. I believe that I am entitled to compensation for the four thousand dollars in stock that I purchased in 2008 and 2009 because Advanta corp deceived shareholders by withholding facts about their true dire situation, and continued to pay dividend's when their financial situation should not have allowed it.
